Order—No. 1555, Health, dated 4th May 1951.

In G.O. No. 801, P. H., dated the 25th June 1936, Municipal Councils were requested to prescribe a fee of annas eight for every extract from the birth and death registers, which their executive authorities might grant in virtue of their powers under rule 11 of Schedule III to the Madras District Municipalities Act, 1920. The Government have received a representation that, in view of the fact that the establishment charges and cost of materials have increased considerably since then, the fee charges for grant of

an extract from birth and death registers may be increased. The Director of Public Health suggests that the fee may be increased from annas eight to one rupee, per extract. Municipal Councils are, therefore, requested to prescribe a fee of one rupee for every extract from the birth and death registers which their executive authorities may grant in future.
